“ My heart goes out to Auntie Helen and Ubba....
I have so many wonderful memories of Uncle Gordon. He was an amazing man with a big heart, and as I remember, a Youthful heart as well!! Some of my favorite memories are the ones when he played softball while coaching :-) We always had a good time traveling to Yakima. But it more fun watching Uncle knock one out and get on base! Those were the days. I remember going to a Sonics basketball game with Uncle and Auntie one time when they were in the playoffs and they were playing against Phoenix. Sir Charles Barkley was playing then, and also one of my favorite players. I almost didn't get to go to the game with them because I liked Charles and Uncle didn't. Said I couldn't root for Charles and ride in the van ha ha. Then there was a very special birthday bar-b-que for my son's first birthday.....made the best smoked salmon ever!
So blessed to have had an opportunity to see Uncle a few months back and got to visit with him and give him a hug and tell him "Love You." Thank You Lord for that moment in time. And Thank You Uncle for all the memories.....all the love and support you gave.....all the teachings and blessings we encountered along the way.
To the Wilson Family, sending love and prayers to you all.
Rest Peaceful Uncle
