

## Harry Thomas Miller

September 25, 1946 - May 6, 2024

Harry Thomas Miller passed away peacefully Monday, May 6, 2024 at the age of 77. He was born in Trenton Michigan on September 25, 1946 to Fred and Winifred Miller.

Harry was a loving father and husband. He worked very hard to provide for his family and was a “super A type” personality. Always analyzing and researching he never did anything without a plan. He earned his Eagle Scout rank, built a boat, became a pilot for a short time, went to college to earn several degrees, and ended up working at the Mobile Refinery in Ferndale, now owned by Phillips 66, as an inspector for over 30 years.

While not having many hobbies, he was a DIY type man always fixing something or upgrading it. He designed and built two houses while building his family and career. He held many certifications and studied hard to become the best he could be at his job. He always tried to help anyone who asked and gave advice freely.

Harry is survived by his devoted wife, Alexis Cay Miller, his son Arthur Miller and his wife Dannette Miller, his brother Stan Miller and his wife Leann Miller, his sister Marjorie Ellis, and numerous nieces, nephews, and grandkids.

He is preceded in death by his parents.

His celebration of life will be determined at a later date and will be streamed for those who cannot attend.

In lieu of flowers, donations may be made to the Alzheimer's Association.

TW

“ *Sincere condolences to Harry’s family.*

*Harry was a good man that I enjoyed knowing most of my working life from the beginning of our careers at Texaco in Anacortes. Harry was writing contracts at the time for the Engineering Department, and I gave him a hand during busy times and when he went on vacation.*

*Harry spent many hours helping me when I built my new home in Anacortes. He taught me how to plumb and wire my house.*

*Harry was a special personality. He was kind and helpful to everyone. While our friendship waned when he moved to Bellingham, it was always great to see and talk to him when we had a chance to meet again. He will be missed .*
