“ *Dear Phair family,
My thoughts go out to you during this time of sadness. Hazel's friendly smile and greeting gave me much joy when she arrived. She loved to spray her fragrant colonge in the girls' locker room after class. It was her signature. We will miss her very much.
Sincerely, Julee Pitalo WMS PE teacher*

“ *I did not know Hazel even though I feel that I did. She was born on my son's birthday, and one of my sisters' was one of her teachers a couple of years ago. My daughter died six years ago. Time will not heal your wounds, however it will allow you to get through each day. My all of your memories be held close to your hearts.*
