

Helen Ramirez Pulido

September 24, 1936 - January 16, 2020

To be absent from the body is to be present with the Lord. On January 16, 2020, Helen Ramirez Pulido left her body and now reigns in heaven. Helen was born on September 24, 1936 to Isaac and Eulalia Rosa Estrada in San Bernardino, California. The family moved to Stanton, California where Helen and her eight siblings grew up happy and always had someone to play with. Helen went to school in Stanton and finished her education at La Mirada Adult School. She worked for the county of Riverside and retired in 1998. She moved to Whatcom county in 2000 to be near her sons. She loved music and was passionate about helping animals. Her generosity knew no limit when it came to donating for their care. Her place of worship was Victory Outreach in Riverside, California. Helen loved our Lord and emulated Him in all she did. Helen leaves behind 4 children, Mary Helen Abbie, Gilbert Medina, Danny Pulido (Debi) and George Pulido (Julie and Gabriel). She has 3 surviving sisters and one brother all in Southern California. Helen was a woman of great faith and will be greatly missed by her 20 grandchildren and several great-grandchildren. We believe she is dancing with the angels waiting to be reunited with those left behind. Do not grieve her loss but rejoice that Helen is finally home. Anyone wanting to honor her life please make a donation to the animal rescue of your choice. Helen loved them all.

“ *Mary Helen, Gilbert, Danny and Georgie Aka “Los Tutis” please accept our infinite heartfelt sympathies on the loss of your mom. Your mom was among those who grew up lacking material things, but never affection, empathy, compassion, loyalty, courage, honor, respect, pride, integrity, dignity, commitment and honesty. She always typified the indomitable spirit of determination in making sure that her family was protected and taken care of regardless of obstacles. All of you were recipients of her unselfish actions and contributions throughout the years and her kindness and caring were indelibly etched in the minds and souls of many family members. For now I suggest that all of you lean on your friends and family for strength and always remember how much you were loved by your mom.*
