But we got Herb/Merv he was always so friendly always stopped what he was doing and took the time to talk to us. “ Evelyn, we are so sorry hearing of the passing of Herb. He was a great guy, as you I’m sure know. Dick and he worked for many years at Georgia Pacific, and had some good times together. Dick said he was just a swell guy, always ready to help his fellow man. At this difficult time may you find peace and comfort in knowing we share your sorrow.
