“ I was sad to read that your lone has passed on to Glory. Sad for you and me, but, she is rejoicing being with the Lord she so loved and her many loved ones. I so loved her and she loved me back. Her heart was always open to let another into her circle of love and caring. She loved her family so much and her community. She worked many hours at the Senior Center especially at pie baking time and at First Baptist Church serving in many capacities. Moss never grew under her feet. I will miss the smile that was often on her face, her cinnamon rolls and her love. lone was a blessing to me and to those around her. I Thank the Lord for having lone be a part of my life.
