“ You may or may not remember me Greg, but Irene and I were friends in high school. We had many fun times and serious laughs together. She was sassy, witty, and such a hoot. I have thought of her often over the years and so sorry to hear she is gone. May you be blessed with many memories of special times together.

“ Dear Erickson family,
It was heartbreaking to learn of the sudden and unexpected loss of Irene! Our hearts hurt for you and it is hard to imagine the pain you are going through.
The last few years we were able to reconnect with Irene. She remained fun, spirited, witty and courageous, in spite of all her challenges. It was apparent she loved her family and friends deeply. May God comfort you in knowing that Irene is free from pain. May He comfort you in knowing that you are in the thoughts and prayers of many.
With love and healing hugs,
