“ Lorraine Sincere Sympathy to you. As I sit here thinking of you and Jack – I remember how my mom would always call Jack so early in the morning on his birthday – she did not want to miss talking to him. Also the neatest was when I had written to him wanting family history information and he was to return it by a certain date. Well, to my surprise, he delivered it in PERSON. Know that you and the girls are in my thoughts and prayers. Love you Bonnie & Joe
