“ *Sorry I missed the services. I always got the twins mixed up as they both appeared identical to me..both always had big smiles, were both humble and kind and always the happy go lucky attitude. I will miss you Jackie. Hoyte. Till we meet again.*

“ *Oh, Jackie–You will be missed. Your fantastic beading skills, your wonderful doll collection, your great cooking, but mostly your devotion to your family. Thanks for being my friend in good and bad.*
