“ So sorry to hear of Jackie passing. Loved working with her at Costco years ago. She always had a smile, and was always ready to go to battle for friends and family- her whole heart was in everything she did. Peace and love to your whole family at this time.

“ My heart was heavy when I learned of your passing, purely for selfish reasons as you are an amazing mom, woman and friend and someone who touched not only my life but a ton of people, but in the heavy heart I do believe that eternal life is real so the sadness that comes with you no longer here is as well, the heavens are rejoicing at your presence. Thank you for being a solid woman and mother throughout my childhood and as I grew into an adult. You and your family have always been a second family to me. God gained a angel. We will meet again someday. Blessings gs to your family during g this time. You're loved now and forever
