“ I am at a loss of words, Mr. Dobbs was truly a delightful man. I worked with Jim for many years, I worked for a contractor at the refinery. But it never matter to him, you were family. Always had a kind word, and always made you laugh. He will truly be missed. To his family, please accept my sincere condolences on you great loss. You are in my thought and prayers and may you find comfort and strength in the Lord during this time.
