“ I know this was the way he lived ,so I know he passed away in his home. Lot of folks he did a lot for might never know he is gone. He did do a lot to help the homeless, as he was himself, although I don't think he thought so. he passed in USA which is a thing he probably liked.. I am sorry he was alone, I am sorry he never had peace. So now maybe he has it and he is in heaven with a rest full mind and soul. Sometimes he is going to be missed and he will be remembered..
