“ Dear Family of Jamie, my heartfelt sympathy to you all. I will always hold memories of this dear young man's warm smile and acceptance in his soft eyes. I feel fortunate to have seen him grow up thru his school years. I am proud to say I was his bus driver for many years and so thankful for knowing him and his entire family. Please know Denise my hugs and tears I feel right now are to you a good mom. God Bless You All as Heaven is one dear soul richer, and feel his smiles as he and Dale watch over you all.
