“ Grandma Jan was an important member of our Sundance family. She also supported our Aztec ceremonies for many years. Our 4 children have fond memories of her and her beautiful songs. She always brought them presents at Sundance and they looked for her every year. We will miss you Grandma Jan

“ Sending My Condolences to you, the family. Jan was one of my favorite Teachers at Lummi High School, she always knew a way with her students to get them to do their work. Jan always went out of her to help the ones who needed one-on-one help and ensured them that they didn't need to be ashamed for the extra help when needed.

Jan you will surely be missed but not forgotten.
