

Janis Michelle Page

June 4, 1962 - September 4, 2024

Heaven has opened its gates for Janis Michelle Page, a much beloved wife, mother and friend. Born in Houston, Texas, she was a remarkable woman of beauty, grace and love. She met her husband Gary in 1987 while she was working in an International Freight Company in Dallas, Texas. For 37 years she filled his heart and soul with love, warmth, and respect. Every single morning, for 37 years, she caressed Gary and whispered, "I love you." She was everything to him.

She also gave birth to two extraordinary daughters, Amy and Margaret. She poured God's love and strength into their souls. They were her lifelong pride and joy. She stood as a bedrock of

strength for her family. She anchored her loved ones to a foundation of love and moral principles that let them weather every one of life's storms. She kept her family strong.

She fully joined with Blaine's spiritual community, unselfishly helping out neighbors or church members. She gave of herself without hesitation, asking for nothing in return. She opened

doors for those in need. She helped pick up anyone that life had knocked down. Everyone that came into contact with her were captivated by her

friendly and giving nature. She spent the majority of these last two years welcoming the arrivals of her two granddaughters, Luna Rose and Shasta Daisy. She never tired of hugging them, playing with them, and kissing them both silly.

Now we are all rocked with her loss. Each day is aching empty without her smile and presence. It hurts so much not to be able to hold her. We loved her so very, very much.

A Celebration of Life is planned for September 29, 2024 at our home. It is located at:

541 11th Street

Blaine, Washington

Please come and honor her memory.
