October 30, 1997 - September 18, 2024

Jerell was born to: Jacqueline "Jackie" Julius Jr and Kaare Young Sr. on October 30th, 1997

He grew up on the Nooksack reservation in 5 cedars at his grandma "Blue Doors" a.k.a. Jackie Julius Sr. Also with his Lummi family, grandma Lois Cadiente, many cousin's, auntie's and uncle's.

His final residence was on the Lummi reservation. Where he was very busy with his future successes. Diligently seeking career in construction trade and signing up for school in finishing his high school completion then onto college in business entrepreneurships in self-empowerment as well as self-employment. Jerell spent a lot of his time listening to music that inspired him to seek a career in music since he loved to think about his own music, beats, and raps. He'd consistently save to a cloud on the internet. Jerell in his spare time would love to play games like Football or basketball. Back when he was a kid living on the Nooksack reservation, he used to have a group of friends he would meet up with after school, to go to the basketball court down the road and skateboard. He would love to go down to the river and swim with his siblings and friends, his favorite thing to do is drown his siblings. He also liked to play call of duty with his mate and in-laws, going to the movies, going for walks to the cove or beach and enjoyed getting out and going for car rides while listening to music.
