

Jerry Campbell

June 6, 1959 - October 30, 2013

Tacoma, Washington

Jerry Campbell, former resident of Tacoma, Washington, passed away suddenly on October 30, 2013 in Ferndale. Jerry, a twin, was born in Tacoma on June 6, 1959. He graduated from Lincoln High school in 1978, and went on to earn his bachelors degree at WWU in Bellingham.

Jerry was a respected real estate broker in the Bellingham area for over 15 years at Muljat Group Realtors. Earlier in his career he owned a successful painting company in Tacoma. He specialized in the restoration of Victorian homes and drywall contracting. He was an avid fisherman who could regularly be spotted on the Sound when the salmon were running.

He was proud of his Scottish heritage, loved attending the Scottish Highland games, and researching his genealogy. His interests were wide, and he usually had many projects on the go at any one time. He enjoyed gardening, loved baseball and basketball. He was a keen traveler locally, and had a special place in his heart for Hawaii. Jerry was an optimist; he always saw the good in people and tried to help whomever he could whenever he could.

His proudest moment was when he became a father. He was a fantastic father and William was the joy of his life.

He was preceded in death by his mother, father and brother Gary. Jerry is survived by his wife Meagan and his son William; three sisters, Joan, Beverly, and Sandra, and three brothers, Larry, Curtis, his twin Terry and several nieces and nephews.

“ I was a colleague of Jerry’s at The Muljat Group. I used to enjoy brainstorming with him about the latest and greatest happenings with the changes in technology for our industry. He was one of the first people in our industry that fully understood how the advent of search engines would change the way we marketed ourselves, our business and our communities. Jerry jumped jumped right in and built a great website for his business when the rest of the industry was questioning if it was worth it to have a personal web presence. He was a visionary in that respect. What I will miss most about Jerry, however, is how he never failed to say “Hello” to me when we would bump into each other in the office and would always take a minute to ask me how I was doing. He genuinely cared about the people he worked with and took the time in his busy day to let you know. I will miss his generous friendliness when I am in the office.

“ I am William’s second grade teacher. Though I only knew Jerry for a short period of time his character as both a parent and person has made a lasting impression. Jerry was one of those parents who showed his support for both education and his child. He was very easy to talk to and I always appreciated Jerry’s friendly manor. William has been blessed to have had Jerry in his life, My sympathy goes out to both William and his family. -Kacie Bundy
