

Jerry Jerome King

September 9, 1938 - January 1, 2021

Jerry was born in Owensboro, Kentucky to Pathe and Mary King in 1938. He was a Corporal in the US Army from 1959-1965 and served in France with the 83rd Engineers Battalion. In the early 70's he moved to Whatcom County and won many awards as top salesman for Blackburn office equipment.

He became a well-known icon in Blaine, WA for Kings Flea Market from 1977-2001. If you needed anything from an antique teacup to a dresser, he would find it and give you a "good deal." He touched many generations throughout the years with his thoughtfulness, hard work, determination, and love for everyone he met.

"Jer-Bear" enjoyed watching the Seahawks and Mariner games and was always up for a healthy talk about politics and news. He also enjoyed fishing for trout and salmon. He loved to drive around to all the yard sales, especially with his dog Buddy who you could hear barking from a mile away. Daily he would talk about his love for his family, friends and Alaska.

Jerry passed away after a long battle with a rare disease called Progressive Supranuclear Palsy. He fought so hard and we are all so very proud of him. His family would like to personally thank all the care teams, and especially "our family" at the Bellingham at Orchard.

He is survived by his two daughters, Nina King and Patty Dunn, and his grandson Tyler Dunn, his family in Kentucky and Alaska and many good friends. "You touched so many lives, we will all miss you so very much and we are all blowing you kisses."

Condolences and memories can be shared here, and/or at Kingsfleamarket2021@gmail.com.

“ Miss you Jerry. I remember when I would bring my dog Duke in and your face would just light up so bright! Duke would just come right to you! Also, every time I would do music corner you would always want to here Conway Twitty or Johnny Horton. I remember just talking to you about everything you’ve done in your life. Rest easy
