“Knowing him since we were both 3 years old, Jess was one of my oldest and closest friends. We shared a house in our early years at college and he was one of the most influential people in my life. He wore a pin button on his jacket saying “Question Authority”, advice I have always taken. Although I haven’t seen him for many years because I live in Europe, I had hoped to re-connect with him, which unfortunately will not be possible now. I loved that guy and will miss him very much.

“Jess and I grew up together at First Baptist Church of Bellingham. Many good memories of a lot of fun times. To his family, I hope that you find peace and comfort in knowing that Jess made a positive impact on many people. I hadn’t seen him in at least 35 years, but I had always hoped to reconnect with my old friend. His passing is a big loss. Take care.
