Mom was a CRN; and all of us went to her for medical advice. She made sure all of us could swim, because she couldn't. She wore so many hats, 4H leader, she was on Meridian School Board. She involved herself in everything we needed. Kids and grandkids, alike. She even took time to organize a luncheon for all her retired nurse friends. She started Pet Pleasers when pet sitting was unheard of. She was our rock, our matriarch.

We will be having an open house on January 7th from 2-5, come join the family for food and coffee at family home. Family and close friends, for private graveside memorial at Woodlawn on the 8th for informal service. In lieu of

flowers, please donate to your favorite animal rescue, or Humane Society to the vet department.
