“ I met John in 1956 when we were in 7th grade at Whatom. He was a patient and understanding guy – and our friendship continued at Bellingham High. I would see infrequently over these many years and he always had time to talk. I was glad he became a teacher because he could communicate his patience and consideration to his students – virtues much needed today. R7eNTHeSt in Peace John

“ So sad to hear of his passing. Mr. Notar was my 6th grade home room teacher at Fairhaven Middle School. He introduced me to novels like *Where the Red Fern Grows* and always had a reassuring smile. He was a teacher, but he was more than that. Somehow you could see the human side of the man behind the teacher. He was one of my favorites and will be missed.
