

Joi Joanne Johnnie

November 16, 1994 - April 30, 2022

Joi Joanne Johnnie was born on November 16, 1994 and passed away unexpectedly on April 30, 2022. Joanne was a very fun filled person who was so full of life, love and laughter. Her smile would light up the room, especially when it came to her children. She was an amazing mother who would go to the end of the world and back to make sure her children had what they needed and so much more. Spending time with family was one way Joanne showed her love. She enjoyed the stick game trail, going to concerts, swimming and gaming out. Family get togethers were a must. In the summer months Joanne spent time by the river listening to 2pac and joking around with others. One memory that put a smile on her family's face was when her uncle got a new car and thought that he would teach her how to drive. She almost drove straight into the pond! Joanne had a way of showing her fearless ways, but also had a stern side to her. She was strong willed and would put her foot down as needed. Joanne was a devoted mother and friend and will be remembered for her deeply loving nature.

Joanne is survived by her mate Albert Jimicum Sr; children Albert Jimicum Jr and Amelia Jimicum; mother Raphaella Johnnie; sisters Elissa Johnnie and Noemi Campos; brother Isaac Johnson.

Joanne is preceded in death by her grandmother Amelia (Kay) Commodore; uncle Raphael Johnnie; aunt Caroline Towksjhea; great grandparents Elsie

and Ernest Commodore.
