stair steps of his rich life. Josephs wasnt afraid to pursue his goals by himself, he ventured off on his own at a young age to go to Alaska, and to fulfill his dreams and experience life. Joseph always encouraged others to follow their dreams and pursue their goals and to live life to its fullest.

Love, Live, Eat and Fish.to all of Josephs friends and family, never stop or falter, find your strength in him.

He will be dearly missed by all.

I pray that I may live to fish

Until my dying day.

And when it comes to my last cast

I then most humbly pray.

When in the Lords great landing net

And peacefully asleep

That in his mercy, I be judged

Big enough to keep.

Amen
