“ *Kendy, Katie and Family,
We are so sorry for your loss! We only new Judy briefly but we loved her sweet personality and her determination while in such physical pain! She was a testament to us all on her ability to endure. We know the pain of losing a loved one and know the grieving process will take time but, take consolation in the fact that she was a believer of the Lord and Savior Jesus Christ and she is in His loving arms now and no longer in pain.
If there is anything we can do to help with your memorial service, please let us know!
Our Sincere Condolences,
John and Lonnie Jager*

“ I just found out about Judy’s passing this morning. I was shocked to learn of it, having visited with her several months ago. Judy was a special friend to my Dad, Andy Struiksma, at the Christian Health Care Center. They spent many fun hours talking about many things. Dad was lonely after my Mom’s passing, and Judy’s care and concern for him was a blessing during this difficult time in his life. I am thankful that Judy is free of pain and suffering, and pray that the Lord will comfort your family as you grieve her passing.
