“ I feel privilege that I have known and taken care of Kathryn for 2 years. I will miss our conservations about books and current events, but most of all I will miss her sense of humor. She was a kind and compassionate person. She was very appreciative of the help she received from the caregivers at Birchwood Adult Family Home. She is now with her Lord and Saviour and free of all the pain she endured. I will miss you Kathryn. Cindy Allen Caregiver at Birchwood Adult Family Home

“ We are saddened by the loss of your presence here with us but know that you have gone home. We wish your family all the joy they can find in celebrating your life. We will think of you often each time we pick up a good book to read and see the waves splash upon the shore of your loved Birch Bay. Our prayers are with you on this new journey

“ We were shocked and saddened to read of Kathryn's death. Our friendship goes back many years when Joy taught with Kathryn in Tacoma, and Kathryn was a dental patient of Duval's. We have kept in touch over the years, especially at birthday times when we would phone each other. Kathryn was a great lady, highly intelligent, charming, and a true friend. We will miss our chats with her. I wish she had lived to see a new president! Our love and sympathy go to her niece and family..
