

Kristin Lee McDonald

July 16, 1970 - August 14, 2015

LIVE – LAUGH – LOVE

Kristin's journey ended on Aug 14th by joining her angels after a five year courageous fight with several medical issues.

Kristin was a 1988 graduate of Ferndale High School and attended the University of Portland School of nursing. Her last employments were with St Joseph Hospital as an OR scheduler, then Pacific Rim Scheduling and Northwest Health Linen.

Kristin enjoyed spending time with family, watching & cheering on the Seahawks and Huskies, crafting, and spending time at the casino.

Kristin was preceded in death by her father Byron Wingate, grandparents Lynn & Florence Blunt, her Grandma Mantifel and her Uncle Dwight Lynn Blunt Jr.

She is survived by her daughters Kiera & Kambria McDonald, her Mother Cheryl Wingate, Sister Devia Wingate, Niece Shelby and Nephew Byron, Special Father figures Ray Hunter and Sanford Crane, numerous Aunts, Uncles, and Cousins.

Special thanks to Dr. Gargano and his nurse Kirsten, Dr. Roberts of Virginia Mason in Seattle, to her many special home health care nurses and therapist – your compassionate care was most appreciated.

No matter what life dealt Kristin, she always put her girls first. She persevered through it all to make sure her daughters were taken care of. She always looked for the good in every one of her situations that came before her and lived up to her motto “Live-Laugh-Love. She truly was an inspiration to all that came into her life.

A memorial service will be held on Saturday, August 22 at 1:00PM in the chapel at Moles Greenacres.

Memorial donations may be made to The Kristin McDonald Memorial Fund at any WECU branch.

“ *I'm so sad to see this and hope this gallant lady is at peace. I don't think I have enjoyed working with a parent as much as I did Kristin. Her girls were two of my favorite students and I can attest to Kristin's fierce protection and support of them. My condolences to her daughters and other family members.*
