“ *As Laura's nephew (her brother David's second son), I was honored to know and love Aunt Laura. The Bennet family was close to us; each northern vacation (we live in California) always included an extended stay with Bill, Laura, Bonnie, Bernida and Becky. I didn't know Brenda, since I was born around the time of her passing. Among other things our family shared experiences with cystic fibrosis with the Bennets. (It's a genetic illness.) I pray that each of those who grieve Laura's passing will experience the peace of Christ and his everlasting comfort. Laura was sweetness and cheer, kindness and sensitivity. She passed on a love of life, an appreciation for nature and beauty, and of course admiration for a nice head of hair. I'm alive because of Jesus, and I know Laura is alive in the fullest sense of the word, in the presence of her Savior.*
