“ Lester my cousin . Very heartbreaking to hear of your passing yesterday. I wish u knew u were loved . u didn't have to be alone. I have so many memories as a child with you. u were my best friend & my cousin that were 3 months apart. I don't have alot of memory from my childhood but u r one big part I do remember. I as well as other family members tried to locate u with zero success. I have a couple pictures of you & I hanging on my wall . I'm sure ur at peace now & until we meet again I Pray u now know u hold a dear spot in my heart as well as alot of your cousins & other family members. Oh I wish one of us would have successfully found you. I love you cousin Lester & I hope we get answers for the family who's left wondering & loving you. sorry we as ur family are just finding this out.
