“ Amanda, I am thinking this is your mom and have had you on my mind ever since I saw this. Was waiting to see an obituary so I would KNOW if this is your mom, but just wanted so much to let you know how sorry I am. I know what it is like to lose a mom and I know it hurts like crazy. But just know that many people are thinking of you and time truly will help ease the pain of your loss. Remember all the good, and hang on to that to keep her close to you!!Sending love and sincere thoughts to you,
Kathy (ex-HKG)
