“ You were a wonderful Aunt, always there with a hug and a smile. You filled a room with joy. You were so thoughtful and kind. You bought my first diary when I was a young girl and a couch for my first apartment. You were the type of Aunt I can only hope to be to my nieces. Your family and friends meant the world to you and we loved you beyond measure in return. I will always cherish our memories. You were an integral part of my life and you will be forever missed. I love you.

“ I met Linda 22 years ago, Linda was an incredibly lovely lady, and I remember her contagious smile and extremely cute giggle. It was wonderful to enjoy her Christmas baking and the crafts she made. Linda always spoiled us, perhaps because she wanted to spoil William so much and we got to benefit all that when he lived with us. We had many good years of fun moments with Linda and William. She was very missed by all her friends and Family in BC when she moved back to Washington. Linda will be missed very deeply by William, and me.
