“ I am so saddened of you're loss. Lindsey was such a sweet girl. She always had such a pretty smile that would light up the room she entered. I am going to miss her very much. I always enjoyed her when she would come into the Pizzanini. We would cut up a little bit and I would ask about her sister Casie. The whole time that we would talk she would always have that Lindsey smile. God Bless you and may God take you all in his loving arms, Sue-z
