“Lindy was a dear friend and got me back into golf after I returned from the service in 1970. He was super competitive, loved a good laugh, and I will miss him. God bless and keep him until we meet again!

“Lindy was that one in a million kind of guy! He taught so many people to golf and if you were lucky enough to be golfing with him he'd share his wisdom to help improve your game! I know Myles golfed better. I enjoyed the after golf fun when each player turned in their cards and earned money depending on their handicap. Marianne was such a good golfer! We'd enjoy cocktails and beer and talk about the fun everyone had. Lindy you exercised and kept in shape. We were saddened by hearing about your passing heaven has golfing so you'll be enjoying your favourite sport! We have beautiful memories to cherish of happy times with you and Marianne.
