“ *I don't know why I chose to look for this today....but for whatever reason, I'm glad I found it.
Its been six months since Loren left, and to this day I still haven't totally grieved. I'll shed a tear here and there, but I know in my heart I truly haven't let go. Maybe that's why I'm here right now typing this....its time to do what I need to do. But I will do it in a way that is personal and private, as he was 20 years of my personal and private life...*

*To the Cultee family, I will ALWAYS love you all. I'm so sorry for the emptiness and pain you all have had to endure these past six months. I pray that those feelings will be replaced with some sort of relief knowing he is in heaven....doing whatever it is that God called him home for. And I'm sure he's doing a GREAT JOB cause he always put his all into everything he did....he had to be the BEST!! And to the rest of us still here, he was, and always will be the BEST. God Bless the Cultee family, and may you rest in peace Loren...
Love you*

“ *I would like to extend my deepest sympathy to Loren’s family and friends. May you find comfort in the promise at Revelation 21:4 where it says ” He will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” I am truly sorry for your loss.*
