“ I really don't know what to say, because my heart is broken. Larry, Sandra & Ron...very much looking forward to celebrating Lori's life with you all on Friday. Lori was a truly special person and friend – I can name countless times and ways she was “there” for me, and I loved her very much. May God comfort all of you during this time, and please know that there are MANY with similar memories/experiences of Lori's amazing strength, loyalty & true friendship. To be Lori's friend was to be a friend for life. Love to all,  
Lynn
