“ *Mardel was a very special lady and our family loved her very much. She had a special friendship with my niece Donna Stedman who enjoyed many afternoons with Mardel playing cards and watching the birds and just talking and listening to each other and often enjoying a car ride and KFC which Mardel loved. I also enjoyed phone visits with Mardel. Sorry I cannot attend Mardel's celebration of life as I live in California. Deepest sympathy and love go to Mardel's sons and family. She will be missed.*
