

Marilynn G. Dondero-Rich

December 28, 1946 - June 13, 2022

Marilynn G. Dondero-Rich passed away peacefully in her home on June 13, 2022. She was born December 28, 1946, in Seattle Washington.

Marilynn was an outgoing, creative and congenial individual. She will be remembered most for her willingness to help others and her loyal nature.

Marilynn had retired from a career in accounting and spent much of her time quilting with her friends at the Evergreen Quilters Guild. Her dear friend, Anne Gouiller-Moore wrote this passage when announcing Marilyn's passing to the guild:

"The sky will have one more bright star tonight. Sunsets will have another meaning; it will be Marilyn arranging all these beautiful colors in a quilt to keep us warm and safe at night. She was truly a wonderful creative person and a very good friend."

Marilynn will always be lovingly survived by her husband, Greg Rich. Greg remembers Marilyn for her compassion and acceptance of others, as well as her passion for The Arts.

Marilynn is survived by her husband Greg, her two stepsons; Jason and Anthony Rich, as well as her grandchildren.
