

## Marjorie Ann Kratz

February 13, 1923 - May 6, 2020

Marjorie Ann Kratz, age 97, passed away peacefully in the early morning on May 6, 2020 to her eternal resting place. Jesus came and took one very special lady and angel home. Receiving her angel wings, she left this world to finally join the love of her life and husband, Whitfield Kratz. Heaven has gained one beautiful, caring, loving, and truly unforgettable woman. She will always be loved, cherished, and missed greatly by all those who knew her. She will be laid to rest at Greenacres Memorial Park beside her beloved husband. There will be no service upon her request.

“ I’m so glad Lisa brought me to meet you when we were in 7th grade. Thank you both for visiting me when I worked at the Bon Marche. You will be missed. May you now have no more pain or worries.R.I.H.

“ Diane, Nick and Family,  
I am extremely sorry for your loss during these trying and unusual times. The fondest memories I have of your mom and dad, Diane, is when we were together at family holiday dinners and the cousins were playing together.  
I will always remember your mom as a proper lady who supported your father no matter what the situation was. I admired that about her.  
She is at peace now with your dad just at it should be.  
Take care,  
Cousin Bob,
