“ *Mr. Mark, Although we always shared with each other how lucky, happy and tickled pink we were with Our partnership aka relationship... You need to hear it again. From the moment I heard your gravelly voice, saw Your bright, beautiful blue eyes and we hugged hello....I was smitten. From that day on my life became bigger, brighter and better with you by my side. Your patience and understanding, all without judging me, helped me heal my heart and soul. You made me want to be a better person, I am and it's your fault! I was blessed to have found you, my soulmate Mark I cherish the life we had together and I am grateful for every second I had with you. You are my hero.*
