“ Dear Ron, John, Ron Jr., and all of the kids,
I just wanted to let you know that I'm thinking of ALL of you during this time. Marlene was a wonderful lady, and the first neighbor I ever knew. I was 3 years old when I met her, and I have fond memories of visiting with her in the backyard, her letting me play with the ol' dog "Rusty", and all of the times she bought Girl Scout cookies from me because she felt sorry that my wagon of them was still full. The world lost a beautiful soul, and I'm so sorry for the pain that you are feeling as a result. She will be missed by my family and all of her friends on Bel-West. Please take care.
My Condolences,
Britt Brouwer (Wilhelm)

“ To Marlene’s family: I remember your family when you lived on the Hemmi Road dead end. I was a grade ahead of Marlene, but we often sat together on Harold Sweitzer’s bus route. I’m sure I did most of the talking as she was a quiet little girl. Marlene was soft spoken, had a very sweet nature and just one of the very pretty Mellick sisters! We all were in Mary Mize’s 4-H club and met at various member’s homes. I remember Marlene and I were so nervous that we each shed a few tears during our respective food preparation demonstrations.

Although I haven’t seen Marlene in all these many years, I’m very sad with her passing and sending warm thoughts to you all.

Sincerely,

Jean Spalding

“ From the first time John brought me home to meet you, I was welcomed as a part of the family and never anything less. I will always remember the holiday dinners when dad always got his prime rib. And the stories you shared of John as a little boy as only you could tell. The roses in your garden that you loved so much. You always made sure I had a bouquet whenever I would visit. Your favorite color was pink. Your love of dogs our Corgis loved grandmas house plenty of leftovers and always a treat or two. The day she saw the ring on my finger and became so excited, and how she cried as she watched our wedding video. But most of my memories are of how much she loved and cared for her family. Pictures proudly displayed, the pride you had in your sons, and the tears you shed at the loss of your beloved daughter Carrie. And the life that you shared with the love of your life Ron. A life well lived, thanks for the memories I will miss you Mom.d
