“ *My Darling Marlene , I did my best throughout all those years taking care of you and our 2 children . I was devastated when our Dr. finally came out with the statement that he / they could not cure you Wish I could turn back timeBUT I CANNOT. but it warms me to know you are with your lord and there is no more pain . Always

“ *To the family of Marlene,
I was visiting my son in Bellingham last year and purchased a birth certificate at an antique store. I searched for Marlene Kay Sherman but could not find her. I checked again and am sorry to see she has passed away. There were also other family documents at this store. I would like to get this birth certificate back to the family if you would like to have it. Just let me know.
