Tony Finkbonner passed away at home in his sleep on July 26th, 2014. He was born in Everett Washington on August 19th, 1969 and earned his AA degree. He worked in IT assistance. Tony is survived by his son Thomas Anthony Doyle.

There will be a Memorial BBQ at the Lake Padden Facility on Friday August 8th, 2014 from 12:00PM to 4:00PM.

Submitted by Tony's Son Thomas Anthony Doyle :

~~Nobody ever really knows where to start here. Nobody can say his death didn't hurt me but in truth I feel that he has only left us behind physically. His life started hard and unforgiving and he made the best of it. His poor decisions were overshadowed by the love and understanding he spread to all around him. He paid for his myriad of skills in blood, sweat, and tears. He ensured I had every opportunity he was denied and for that I will be forever grateful.. If I could talk to him once more I would simply wish to thank him for everything he did for me and my family, then tell him to save me a place in the afterworld~~
