“ *My dear Doris — I just saw the news all over FB and am sad to hear about Marvin. What great memories I have of times with you both during our youth activities at Neighborhood Church. You both have touched SO many lives and helped to form solid foundations in the gospel for so many of us. Love you tons and please know you are in my thoughts and prayers. Now — place your right hand on your left shoulder, then place your left hand on your right shoulder. Squeeze! That's me giving you a big hug! Hope to see you at our next Neighborhood Kids reunion!*
