“ *I wanted to convey my sincere sympathy on the loss of your Mary. I enjoyed chatting with Mary during her visits to the fire station. I could always count on her to jump in and assist during every district function. Although at times she was shy and introverted she was quite funny and always endearing. I enjoyed listening to her chat about family. It was obvious how devoted she was to all of you. Please know you are in my prayers as you come to terms with Mary’s passing.*
