“ I am so sorry; I just found this out a few minutes ago. I am in shock – Timi was so young and so special in all the things that she could do and the things she cared about. She was truly the most inspirational woman in my life; I learned much about being a loving, caring person from her. She was a woman who loved God with all her heart and she is now in his presence and full of joy. She made heaven a brighter place for sure. I am so sorry for your loss; I know she was the best mom and grandma and I am so thankful that I got to know her and was able to call her my friend.
