“ Dearest sis,  
We always watched over each other our whole lives and I felt loved and supported by you. You truly listened and cared. We had many laughs and joyous times, and I know our precious memories will live on in my heart, until I see you again! Miss my best friend & sidekick!  
Your devoted sis

“ Dear Mom, this still feels like a dream it does not feel real. I still have days I reach for the phone to call you just to check in or to tell you about the day. The pain of losing you is unbearable. But all the love, and memories we have gives me the strength to carry on.  
Mom, your love is unconditional and pure.  
It makes me smile knowing you're up there with all your grand dogs and they are loving you up. Teach grandma & grandpa how to spoil them all like you do.  
Mom, there is not an hour in the day I'm not thinking of you, and wishing you were still here with me. Mom, I love you so much.  
Thank you for being the best mom ever in the whole world. Love,  
Your Daughter Brandyann  
P.S. Mom, I finally got your green thumb.
