“ Mike was a great friend and coworker at Comcast and I'll miss him dearly. His absence is felt very strongly at work and, to me at least, Comcast will never be the same without him. I have never met anyone as kind and generous as Mike. When I was a single parent he was there for me no matter what I needed. We shared a birthday and I will celebrate his as much as mine for the rest of my days. We all loved Mike and will feel the sting of his passing for a very long time.

“ I have so many precious memories of Mike when we were growing up. Always trying to follow my brothers and get in their way. Mike was a senior when I was a freshman, I remember the first day of school that year, he helped me find my locker, showed me around the school, truly made me special and safe. As an adult, having him, Lauri, Nick and Tim over for the 'Anderson Christmas' with our brother Tim, his family and our Dad and Sandy was very special and created wonderful memories. Too few memories of Mike and I as adults but I took comfort in just knowing he was there, a phone call away. My children have heard me talk about their uncle Mike and tell silly stories of 4 teenagers attempting to share 1 bathroom at times. I remember when Mike first told us about his Lauri and her boys, we were thrilled! You will be missed Mike, you touched many lives and will be remembered with love. Your sister Amy

“ Mike was my brother and very good friend, as move thru life we tend to drift apart, our own families, work, ect. I had lost contact with Mike over the last few years, but I always knew he was there if I ever needed anything. I have been going thru a lot of pictures over the last few days and I always see Mikes smile. I know that is something I will sorely miss. He was there for my wedding, he was there for the birth of my daughter, and he will always be my brother and in my heart. He was a great Dad and husband, and I know they were so important to him. I will forever regret not being closer to him and the hole he has left will never be filled. Rest in Peace Mike, we will never forget you, ever.
