“ Dear Lou Ann, family and loved ones of Michael, We are so sorry for the much-too-soon passing of Michael. He was a wonderful human being and I have fond memories of him from my youth and early years— he was a groomsman in my wedding at Haller Lake Baptist. Bob Donegan, Ivars CEO, spoke very highly of him just yesterday at a presentation I attended at Calvin Presbyterian. My thoughts and prayers are with you as you process this time in your life and as you continue to honor the Lord.
