“ Mike was a customer of mine at my store job for over 6 years. He was always one of my favorite customers. He always made me laugh and I always made him laugh. I will miss him very much and I’m so sorry for his family’s loss. He was a cool guy. I had just talked to him at my store job last Monday and then I wasn’t at my store job again till last Thursday and that’s when I found out what happened. I was very sad to hear the news of his passing. I plan on trying to be there on August 31. Mike will always be missed. I’m glad I got to know him the last 6 years. My condolences to his family and friends
