“ Janet & Mike,  
*I remember so well the countless times I sat at the breakfast nook in your kitchen in Tsawwassen. I don't think your mom ever said no when asked if I could stay for dinner. And boy did I look forward to her meals! Both your parents were so gracious and kind to me, and I will always have those fond memories of time spent in your home.*

“ *Millie will be remembered (at the very least) for her kind heart, open & welcoming hospitality, great sense of humor, sharing of joyful memories...& MUCH more! She is ALREADY missed!*
