“ To all my cousins my deepest sorrow for your loss.. I just found out today of molly’s passing and I will miss her. She always put a smile on my face.my most fondest memory will be the day I ran into your dad and her in a casino and while I was standing behind her she had a run of luck as I turned to leave she said Robert ray you leave now and I will break your arm. I stayed until it was over. still laugh about that day

“ Mom, You are truly loved and will be missed daily. I get comfort in the fact that you are now happy and suffer no more. Give dad a kiss and hug from me and I know that I will see you again someday.

“ *Grandma, I love you so much and will miss you. I get comfort knowing that you are no longer in pain and that you are now reunited with Grandpa. I will always remember playing cards, riding the lawn mower, picking so many apples that you had pies for days, the first real pearls, you kicking your feet up with a glass of wine at my wedding, the surprise and joy on my mom's face when I secretly flew you down for her wedding, and surprising you for your 80th birthday. You will be greatly missed! We love you.*
